

Loneliness prevention tips

Download and install revolving tips as wallpaper with NZ image background for Windows PCs.

Download and installation instructions are provided below for PCs running Windows 10.

Download instructions

1. Download the zip file matching the background image you'd like:

Background image	Location	Download zip file
	Shark Tooth Mt Taranaki	Tips folder #2
	Motatapu Track Arrowtown	Tips folder #3
	Cathedral Cove Coromandel Peninsula	Tips folder #4
	Dart River Glenorchy	Tips folder #5

2. Save the zip file to a directory or the desktop.
3. Click on the saved zip file to extract the desktop background jpeg images into a sub-folder of the zip file.
4. Copy the sub-folder to a directory or the desktop.

Installation instructions

1. Minimize open windows, right click on the desktop, and choose *Personalize* to open *Settings*.
2. Select *Background* from the left panel.
3. From the *Background* drop down select *Slideshow*.
4. *Browse* and select the folder with the extracted desktop background images.
5. From the *Change picture every* drop down select *1 minute*.
6. For *Shuffle*, select *On*.
7. From the *Choose a fit* drop down, select *Fill*.
8. Close *Settings*.
9. Rearrange the desktop, if necessary, to see the background tips.
